**FAMILY CONNECTION**

Every family has a unique identity that is defined by the behaviors, attitudes, and expectations that govern a family's daily life. This identity is influenced by the family history of the parents, but each family's expression of this history is unique. In today's Gospel, we learn that Jesus' behavior, attitudes, and expectations were governed by his identity as God's beloved Son. In our Baptism, we were made children of this same heavenly Father.

This identity as members of the family of God, and as brothers and sisters of Jesus, also shapes our family's daily life

As you gather as a family, identify some of the expectations and behaviors that govern your family life by answering the question, "What are some of the things that make our family life unique?" Celebrate these things about your family life. Read today's Gospel, Luke 3:15-16,21-22. Observe that Jesus' identity as the Beloved Son of the Father governed his behaviors, attitudes, and expectations. Recall that at our Baptism we were made children of this same heavenly Father. How does this identity as a member of the family of God govern and shape our family life? Conclude in prayer together that we will remain faithful to our baptismal identity as children of God and as brothers or sisters of Jesus. Conclude by praying together the Lord's Prayer.

When Jesus stepped into the waters of the Jordan and was baptized by John the Baptist, he did so not because he was in need of repentance, or conversion: he did it to be among people who need forgiveness, among us sinners, and to take upon himself the burden of our sins.

— Pope Francis —

AZ QUOTES

Given the increased potential of positive cases contact tracing remains a best practice (either online registration or self sign-in). Wherever possible, an e-mail address provides the fastest way to reach large number of attendees should notification be required following a positive case. **If help is needed for registration kindly ask your family or friends to assist you.**
