**FAMILY CONNECTION:**

Talk with your children about some things that they have done to show that they can be trusted. Talk a bit about what it means to be responsible. Responsibility often means that we put aside something of passing value for something of greater value.

Read together the short form of today's Gospel, Luke 16:10-13. Talk about the importance of responsible use of money and our material possessions. As a family, commit to one action that you will take this week to show that your family serves God and not money.
