### MARY DOBELL PRO-LIFE ESSAY & POETRY CONTEST GUIDELINES FOR SCHOOLS AND PARTICIPANTS

The Toronto Diocesan Council of the Catholic Women's League of Canada promotes the Mary Dobell Pro-Life Essay and Poetry Contest to support and encourage an awareness and positive attitude towards a broad range of pro-life issues. These address all facets and stages of life development from conception, through childhood, adolescence, adulthood and senior years, to the new life stage after death. **In short, pro-life is a choice at every stage of human development.**

All submissions must reflect the teachings of the Catholic Church concerning the sanctity of life and the value of all human life from conception to new life stages (death). Contestants reflecting on the dignity of life can reflect on how they see the sanctity or dignity of life is diminishing in their schools, communities and the world and what can be done to promote the dignity of life in these environments. Topics can include but are not limited to any topic which is reflected in the CWL Objects of the League as illustrated below:

1. **To achieve individual and collective spiritual development;** as it relates to how the sacraments help us to follow in the footsteps of Christ, or what is the Sacrament of Confirmation or how works of charity and performing public service preserves the dignity of our brother and sisters at all stages of life.
2. **To promote the teachings of the Catholic Church;** as it relates to how the Gospels influence our lives; or how we show that we accept all God's children regardless of where we/ they originate from or how much money we/they make, or what we/they own, or if they are able bodied/minded or have disabilities; and how we can show religious tolerance.
3. **To exemplify the Christian ideal in home and family;** explore what is family, what is home, how the members of a family are important to each other. How do we ensure that every act we do is done with love and explore how and why we must show respect for the elders in the family.
4. **To protect the sanctity of human life;** explore why and how we protect the unborn, the sick and the elderly; what the church teaches about euthanasia; the topic of suicide or suicide prevention.
5. **To enhance the role of women in Church and society;** explore vocations for women, laywomen in the church and the Catholic Women's League of Canada.
6. **To recognize the human dignity of all people everywhere;** as it relates to the inclusion of people with disabilities; child labour; education for the marginalized; homelessness; the residual impact of residential schools; violence against women; child abuse; elderly abuse and the effects of pornography.

7. **To uphold and defend Christian education and values in the modern world;** as it relates to evangelization; the role of the church in society; the right to publicly supported Catholic education in Ontario and the role of the Diocese in Catholic education.
